

BERKSHIRE COUNTY RIDING CLUB

DRESSAGE TEAM DEVELOPMENT 2011

Our aim is for you and your horse to be better prepared physically and mentally for competition riding and for us all to help and support each other.

I am very pleased to announce that there will be 3 Indoor Dressage Clinics for Riding Club members in Winter 2011 and one evening "Homework Session".

If you are riding/competing at Preliminary level and above and are interested in possibly joining one of our teams in the future then these Clinics will be a great foundation to prepare you for competition whether you want to compete in pure Dressage or whether you want to work on your Dressage phase for Eventing.

The more experienced combinations will be able to work towards the higher levels.

Our Trainer

It isn't easy to find a Trainer who really understands the issues relating to pure Dressage *and* to Eventing Dressage so we are really lucky that Andrew Bennie has agreed to come again to work with you individually on your training issues.

For those of you who don't know Andrew - He is a former member of the New Zealand Gold Medal winning Three Day Event Team (with Mark Todd), British Dressage List 2 Judge, BE Accredited Coach and BHS Registered Instructor (BHSI). He is currently training and competing several young horses up to Intermediate level BE and Medium level BD. So there is probably no one better qualified or experienced to work with you. At the moment he is training riders in Hong Kong.

Places are limited and the last time that Andrew came and trained with us the two Clinics filled up very quickly. This time we have three dates and you need to get the dates in your diary as quickly as possible. Obviously it is most beneficial for you if you can attend at least two of the clinics.

I am not asking for payment in advance but if you are unable to attend you will be expected to pay a £10.00 cancellation fee for each date that you do not attend.
