

Sarah Ward Camp 2012

The Spring Riding club camp is going to be held at Sarah Ward's yard- Church Farm, East Woodhay- again this year. The camps have proved very popular and consist of groups doing an hours flatwork in the morning and jumping/ polework in the afternoon. We may possibly be able to do some cross country training if people are interested. You are welcome to stay over night in your lorries or bring caravans and there are limited stables for horses to stay.

The dates are Monday 14th – Thursday 17th May. The cost is £160 for the four days training and £15 per night stabling if required. Please note stable places are limited, priority will be given to those that stay.

Lunches will be additional to this. We will plan to all go out for a meal one evening and for those that are staying any ideas for dinner would be great.

Please send me form and payment for a place on camp (cheques made payable to Sarah Ward).
